Good oral health can lead to an improved quality of life and help you avoid unforeseen situations that could be painful, inconvenient, and expensive. Medico Insurance Company's (Medico) dental insurance plans make it easy to give your oral health the attention it deserves so you can stay focused on being vibrant and healthy.

Find the ideal plan

Finding the right dental plan can be complicated. Medico makes it simple with affordable plans to help you maintain a healthy smile.

- Two plan options with customizable coverage levels
- First-day coverage

Additional savings may occur if you use an in-network dental provider for services such as exams, cleanings, dentures, and root canals. Optional rider benefits

At the time of application, you may choose one of two additional benefits to add to your policy for an additional fee.

Buyup benefit
\$11.95 per month*

Add \$1,000 of coverage (buyup) to maximize your benefits. For example, if you have the Gold \$1,000 plan, and add a \$1,000 buyup, you'll have \$2,000 of coverage. This is available for both levels in each plan.

Calendar Year Maximum Carry-over benefit
\$7.97 per month*

If you think you may not use your plan's full benefits during the year, you can add the carry-over benefit to your plan. You will be able to carry over any amount not used until you reach a max of \$3,000. For example, if you have the Gold \$1,000 plan and only use \$500 of the benefit, you can carry over the extra \$500 to the next plan year.

Ways to save money

1. Add a spouse to the dental policy at time of application.
2. Include a 5% discount if either the applicant or spouse (if applicable) are applying for and issued a Medicare Supplement or Final Expense plan at the time of the dental plan or already have an existing Medicare Supplement or Final Expense plan with any of our companies.⁵

* Pricing is approximate. Illustrated rates are based on an individual applying for coverage.
